WELLNESS TIP OF THE WEEK
Brought to you by HealthSource of Wicker Park
Recent research states that 20-40% of adolescents with chronic lower back pain are prescribed opioids. Yet research also states that chiropractic adjustments and exercise when done together actually decrease pain and that pain stays away longer than those that were put on opioids.

FAST TRACK BUSINESS SIGNS

Mayor's office just announced a new Fast-Track Business Signs Initiative which will allow businesses to apply for on-premise signs at the same time as their business license. "Small business owners are the beating heart of our communities," said BACP Commissioner Rosa Escareno. "Now, new entrepreneurs will not have to come downtown for business license consultations, online license application assistance and license readiness support. This means less time spent on applications, quicker license issuance and more successful businesses."
