   **Motion 1:** DG moves to select the proposal from Eilts & Associates to perform the 2019 SSA Audit with fees not to exceed **$6,000** from budget line 6.02 (SSA Audit). (20-0108)

   Motion by DG, seconded by: JH

   MH doesn’t think there’s significant enough difference between proposals from Eilts & Associates and ACT Group to justify going with the more expensive of the two options, as they are both significantly cheaper than Sassetti. She suggests either sticking with Sassetti or going with ACT Group, the cheapest option.

   WJ points out that when C&G Committee goes with the cheapest bid, work tends to be lower quality, and is okay with sticking with higher prices as long as we are working with the best vendor.

   DG asks for staff input.
GK reports that ACT Group has performed the highest volume of SSA audits for several years, but some feedback has indicated that staff turnover at ACT group lead to sub-par experiences for other SSAs in 2018. Most peer organizations seem to be fairly satisfied with Eilts & Associates. Staff has no major complaints with Sassetti, but also doesn’t have any major evidence to support that higher price has correlation to smoother audit process. It is also good practice to switch auditors from time-to-time. GK recommends sticking with Sassetti or considering Eilts & Associates.

DG feels that as budget tightens and service contracts get more expensive, it is important to be extra diligent about trimming other parts of the budget to allow for flexibility and new projects.

WJ, JH and CJ in favor (3), MH opposed (1), DG abstains. **Motion passes.**
