  - Bartlett Tree Update
    - Pruning as needed.
    - Tree inventory completed. There are over 1700 tree within SSA#33 and have a new value of approximately \$3.29 million.
    - Soil and pest control have been completed for the year.
  - Dying Trees
    - Identify trees that have not survived the summer heat and check if they are still under warranty. Example; trees on Paulina near Jewel parking lot are all possibly dead.
  - Tree Contract
    - To be approved at next month's meeting.
- Plants
  - Christy Weber Update
    - Currently on Fall maintenance schedule.
    - Continuing weekly service until beginning / mid-November.
    - North Ave fall bulb planting. Bulbs are on order and should deliver in November.
    - Dividing of perennials
    - Started to cut perennials and should complete in October.
  - Orange Planters
    - Identify future locations for more planter within SSA#33.
    - Research cost of anti-graffiti wrap for existing orange planters.
    - Brightview Update
      - Currently maintaining orange planters on Milwaukee Ave
      - Reviewed possible selections for Fall planting.
      - BrightView's contract extend for 2019 planting. This contract does not include any new planters.
  - North Ave Fences
    - Many of the fence corners need the street have been damaged. Possible solution to research/pricing:
      - Large rocks on the corners. These would have to be unmovable by people.
      - Cut the fence corners on an angle to move them back away from the street.
      - Totally remove fencing on the corners.

- Trash
  - Cleanslate Update
    - Currently on winter schedule.
  - Garbage Cans
    - Garbage Can are being maintained.
    - Several trash cans are overflowing because residents and/or businesses are using them to dump their personal trash in. Need to talk to Ward Superintendents about this issue and any possible solutions.
    - Damen Ave garbage cans continue to be an issue of over flowing.
    - Identifying areas that could use more garbage cans. Will work with Ward Superintendents on locations.
