

WPB Transportation Committee  
Meeting Minutes  
March 8, 2018

1. The committee hosted a public workshop in partnership with SSA's Wayfinding project vendor, Thirst Communications & Design. Representatives from Thirst presented initial design and location concepts to the committee, followed by time for feedback and questions. The workshop concluded with an interactive activity, where committee members were invited to share input by suggesting areas for wayfinding signage and design concepts.
