**Motion 2:** The Clean & Green Committee recommends the Executive Committee motion to approve spending not to exceed \$1,500 from line item 3.01 (Garbage/Recycling Program) for approximately 12 additional cigarette recycling cans from Terracycle to be installed at locations requested by businesses within the SSA. (19-0503)

*MT motions. BK seconds. All in favor. **RECOMMENDATION PASSES.***

**1. Tree removal and planting**

- a. Staff have a running list of 8-10 tree pits ready for new tree planting
- b. Christy Webber will provide a quote before May SSA Commission meeting
- c. Staff will get a list of preferred species from Bartlett to Christy Webber for reference

**2. North Avenue Planters**

- a. Christy Webber has begun work installing large rocks
- b. The committee requests that staff looks into concrete/cement contractors to patch up and repair damaged planter walls and also pour concrete bases for sculpture pedestals

**3. Bright View Update**

- a. AJ gave updates on the Spring plantings – they will be adding soil and additional plants when the new planters are delivered (sometime within the next two weeks)
- b. The committee questioned whether it was worthwhile to do a spring planting and if so perhaps more money should be spent on more mature plants
- c. Summer planting mid-June

**4. Cigarette Trash Can Update**

- a. There are currently six new cans ready to be installed at the Chamber/SSA office
- b. Staff will provide Cleanslate with a list of locations to be installed in the next week

## **5. Cleanslate Update**

- a. The committee requested that Cleanslate now paint over graffiti with black paint in the appropriate areas, rather than trying to scrub tags off
- b. The concrete, orange planters on Milwaukee Ave have been cleaned and power washed as well as the bump-puts around the current and upcoming planter locations
- c. Bike racks installed prior to this spring are currently undergoing maintenance and painting
- d. LK will continue to monitor the can linings and let staff know about ordering more

## **6. Composting**

- a. The Committee discussed composting services for season long services through Healthy Soil Compost.
  - i. Pricing would be the same as the winter season.

## **7. Discussion**

- a. The committee brainstormed methods for addressing business/building owners' responsibilities for garbage and snow removal
  - i. Aldermanic offices will need to be involved
- b. The committee is also interested working with the Ward Superintendents of Street and Sanitation to identify and target businesses/building owners/tenants who are dumping their waste in the street cans.

## **8. Free Community Shredding & E-Recycling Event**

- a. Next event will be held on Saturday, May 18<sup>th</sup> at Burr Elementary School from 10:00 am - 12:00 pm.

**Next meeting Monday 6/3**
