Request for Proposals

Interactive Installation and/or Performance Art Works for Wicker Park Fest 2017

The Wicker Park Bucktown Chamber of Commerce and SSA #33 is accepting proposals for the Arts Section of the Wicker Park Festival on July 29- 30th, 2017 from 12pm-10pm, Saturday & Sunday. We are seeking visually-compelling performance and/or installation art for outdoor, heavily crowded, public spaces in the street for the duration of the music festival. Please note noise levels may be high. Art work should be cohesive with the surrounding environment and possibly interact with it.

The committee will select one proposal for a stipend of \$5,000

Available space – 20' x 85'

Maximum size of Installations: Structures can be no more than 400 square feet AND no more than 12' tall. Installations can include multiple structures but each one may be no larger than 400 square feet and 12' tall.

We would like to fill this area with **Art** that is:

- Entertaining and engaging
- a new experience that inspires conversation
- Visually compelling
- Accessible by a large demographic
- Programmed for a minimum of 6 hours up to a maximum of 10 hours, between the hours of 12-10 pm for each day of the festival. Ideally, the programming will be spread evenly throughout the day.
- Suitable for family viewing and participation
- Audience-derived or interactive
- Free-standing (non-reliant on any surrounding building structures)
- Adaptable to unexpected weather conditions
- Install/De-install time less than 3 hours
- Bonus points for including recycling as a theme in the work.

ARTIST RESPONSIBILITIES: Applicants must curate and manage all programming and/or installation for their designated space for the duration of the festival. All load-in and set-up must occur on Saturday morning and be fully completed by the start of the festival at 12pm. Break-down and load-out must begin no later than 10pm and be clear of event site by 2 am on Sunday night. You must be willing to provide your own crew for load-in and load-out in addition to transportation of all materials to and from the festival. PLEASE

NOTE: Arts vendors are responsible for removing all materials from the site after the festival, there will be no material disposal available on site for artists. While there will be security guards overnight, you must be willing to take full responsibility for the safety of your work and performers. Please give consideration to the unpredictable environment of an outdoor festival with loud live music, food & alcohol, and heavy foot-traffic. No fire, nudity or hazardous materials will be allowed. Upon acceptance, artists will be asked to provide two formal progress updates to the panel in early June and early July 2017.
