- 1) Call to Order at 10:00 AM
- 2) Motions for Commission

**Motion 1:** The Commission moves to approve funding not to exceed **\$150,000** of funding from line item **2.02 (Landscaping)** for the installation of an irrigation system in the Wicker Park Gardens, contingent on a presentation by the Wicker Park Advisory Council in January 2026. (25-1202)

*Discussion: The Commission clarified multiple factors, such as who would manage the scheduling and maintenance of the irrigation system (WPAC) and the expected longevity of the system (15 years+). However, before paying out the funds, the Commission insisted that the motion passing be contingent on a thorough presentation from the Wicker Park Advisory Council in January 2026.*

*WJ motions and amends. DH seconds. All in favor. **Motion passes.***

**Motion 2:** The Commission moves to approve funding not to exceed **\$5,000** of funding from line item **2.06 (Public Art)** for the removal of a sculpture at La Salle II Magnet School (1148 N Honore St). (25-1202)

*Discussion: WJ and GR discussed the need for additional snow removal resources this season, as snowfall projections this year are much greater than in the previous few years. With a focus on*

snow removal services between 3 PM – 7 AM, these additional services should provide increased supplemental snow removal through the snow season (Dec. 2025 – April 2026).

*WJ motions. MH seconds. All in favor. **Motion passes.***
